

Fr. Sean

I first saw Fr Sean at an all night Justice and Peace Vigil held at Marie Reparitrice Convent. Here was a 'power house' and dynamic man of God. It was one of those WOW moments. The WOW lasted until his death.

My life had already changed and been turned upside down by being introduced to Charismatic Renewal, thanks to Fr. Battle and the Ecumenical Day's of Renewal at Fenham College. With Sean came a whole new ball game.

I think it is fair to say that he ultimately saved my life by his faithfulness, passion for God and his strong guidance. Words do not come close to all he did for me.

Thanks Sean and I hope you are joining in the Praise from heaven.
