

Fr Sean

I first met Fr Sean at the Holy Rosary Church Farringdon; after that I met him frequently. I followed him to retreat days, weekend conferences, days at Ushaw etc. When he talked, there was something very special about him. He made Jesus seem very real, close and alive. The Father's love became a reality for me and the Holy Spirit made his love and his power a reality in my life which still continues even into old age.

He taught me that no matter what, God loved me, Jesus walked with me and the Holy Spirit was with me to guide me, teach me and to give me the strength to get on with life.

He encouraged us to read the bible, to love it and because of him it came to life for us.

I believe that he was right when he said that we can come to know Jesus.

I and I am sure, many others, give thanks for Him and what he has brought into our lives.
